OVERALL EVALUATION ABOUT THE COLLEGE

The students marked excellent and good responses with respect to different dimension of the satisfaction survey. This shows teaching-learning and evaluation, learning environment, facilities of the institution and overall performance of the institution is up to the mark. The major observations given by the students in different occasions are;

- St. Thomas College of Teacher Education, Pala, boasts a strong reputation for its experienced faculty and comprehensive curriculum, fostering proficient educators. However, the college may face challenges in keeping up with evolving teaching methodologies and integrating technology effectively in their training programs.
- St. Thomas college of teacher education is one of the best college in kerala. It provides all facilities very well. The learning environment is excellent and enriching educational opportunities are providing here.
- Provides all support for the overall development of the individual
- Excellent academic and institutional facilities
- Strength - faculties and infrastructure Weaknesses - waste management
- Qualified, supportive teachers are the main strength
- Strengths: Infrastructure Teachers are PhD holders Gives importance to the inculcation of values and development of teaching skills and competencies All round development of students Give personal and group guidance Weaknesses: Co- curricular activities should be given importance
- Accessibility of teachers in matters related to academic and personal guidance is excellent
- Institution gives immense importance in academic and non academic matters
- Good infrastructure but lack of much placements.
- Infrastructure, clean campus, strict discipline and well qualified teachers
- Strength - Practice of on time work submission
- Qualified teachers and infrastructure facility
- Eco friendly campus and strict discipline are the main highlights of the institution.
- Strength - Quality of training, Weakness - Giving focus on curriculum than practicality
- Very good teaching staff and good environment in the campus.
- The best teacher education college in kottayam district, and also providing good academic career in all students. Proper guidance and mentoring given to all the student help for their future teaching profession.
- Personal care from the part of the faculty
- Experienced, dedicated and energetic teaching faculties
- Good learning environment
- Experienced and Qualified Teaching Staff, supportive non teaching staff Weakness-Outdated Curriculum

- There is a good team of teacher educators who work wholeheartedly for the institution and students
- Extraordinary Teachers
- Supportive teacher
- Efficient and dedicated faculty
- Academic quality Weakness: Time constraints to fulfill the aims to the level of satisfaction in work submission.
- Excellent teachers, collaboration, good environment to grow.
- A strength is a resource or capacity the organisation can use effectively to achieve its objectives.
- Highly resourceful teachers are the strength of this institutions.
- SET and NET coaching
- Qualified teachers, good infrastructure and facilities are the strengths. Placements and career counselling are not adequate.
- The college provides many enriching activities for students development is a key strength of the college.. Also there maintains a harmony and cooperation with all teachers and students.
- A strong and high professional ethics and also the academic interest of teachers. Weakness: There is not enough lady staffs for cleaning purposes like toilet cleaning..
- Efficient teachers and cooperative non teaching staffs.
- Strength include the unity among the teachers and the students, opportunity to grow the innate talents in an individual.
- Outstanding teaching and learning environment.
- Less participation in extra curricular activities by students
- Resourceful teaching Well maintained campus Good learning environment
- Students friendly campus
- A college with difference
- Good infrastructure Qualified faculty More noise than progress
- The strength of this institution is that the college develops professional discipline in students and encourage students to reach great heights. The weakness of the college is restricting hostellers to go to their homes at times of need.
- The amazing teachers and the great facilities are what I consider strengths of this institution. The lack of a proper canteen is something I wish the institution will work on.
- I am very glad to have one satisfied student.

- Excellent faculties, peaceful atmosphere, interest in academics and group activities of students
- Positive atmosphere and supporting teachers.
- The college foster all the abilities of the students.
- Lack of career opportunities, placements
- Overall it's a great institutions. But need improvement in canteen facilities.
- The college focuses overall development of teacher trainees and definitely says our college is the best teacher education institution for teacher trainees
- Good infrastructure, well-known classrooms and library resources. Excellent teachers. Eco friendly college.
- Good learning environment, faculty and guidance
- 1) Ensures that the practicals and other works are done on time 2) Provides adequate learning materials 3) The campus is clean 4) Tries well to make the students professionally qualified teachers
- More concentrate in academic & extra curricular activities average
- Green and Clean Campus
- Good resource persons. Lack of recruitments
- Excellent teachers and peaceful learning environment are the strengths of college. Lack of emphasis on artistic activities is a shortcoming of the college.
- Faculties are the strength. Some unnecessary strictness - weakness.
- Good infrastructure for learning
- All teachers motivate the students to achieve their goals.
- Over all it is an excellent college.
- College is very well maintained in all aspects.
- Student friendly campus
- Full-fledged faculties
- All teachers in the college have PhD
- Educational environment is perfect
- Qualification and quality of teachers is appreciable. Teachers are accessible and available for students. But the ultimate aim of moulding quality teachers with good communication and subject knowledge is not emphasized. Sometimes more importance is given to records rather than excellence.
- The effective planning, financial morality etc makes the college an excellent institution.
- Qualified teachers, good infrastructural facilities
- Good system of education, Dedicated teachers, Infrastructural facilities

- Very good
- Good quality level -Strength
- Good learning environment, good faculties
- Excellent faculty
- Good Learning atmosphere and Eco friendly campus.
- An institution with a highly conducive academic atmosphere
- Become more productive. Positive thinking increases. Become self sufficient
- Excellent in academics and researches
- It is a college with good academic facilities
- Almost everything is good
- Excellent faculties and facilities
- Helps to mould teacher trainees in every aspect.

Findings and Conclusions

Regarding Teaching Learning and Evaluation with respect to the Academic Level of the College, Quality of Learning and Evaluation Activities, Quality and Proficiency of Teachers, Efficacy of the Programme, Academic Advising and Research Mentoring, Accessibility of Teaching faculty, Academic collaboration among Students, Education for Future Life, and Importance for Value based Education, the students had given high preferences/scores to the institution and its activities. In all the components the majority preference is Excellent or Good. It shows the students are highly satisfied with the teaching-learning and evaluation process offered in this institution. In general, the institution gives more importance to the quality of teachers, teaching-learning process, evaluation, research orientation, etc. The aspects considered such as, Learning Environment, Facilities of the Institution and General Observation on the activities/programmes/ quality concerns of the institution, the students gave good feedback. But the component like canteen facilities the students gave low score. The institution considered this as a serious matter and changes including more items in the canteen, more seating arrangements, canteen time, etc are positively changed as per the request of the students and the students' union.
