## **NIRAKKOOTT - APPRECIATION**

*I, Shibumon George, Headmaster, Govt. L.P.School, Arunapuram, am truly indebted to St. Thomas College of Teacher Education, Pala for the valuable contributions, which they provided as part of their venture, 'Nirakkoott : Adding Colours to Life.' The teacher trainees made an immense effort in adding colours to our school walls through meaningful and attractive drawings. They adorned the bare walls with pictures of vegetables, garden and other such alluring visual projections which are appropriate to the intellectual, developmental, and learning needs of the students. Along with this, they engaged in the preparations for refreshments by themselves, which proclaimed their responsibility clubbed with efficiency. They fruitfully utilised the time of one day for providing a visual fiesta for the spectators of the school premises.*
