INSTITUTIONAL DISTINCTIVENESS

Under the She-Ki-Nah extension program, three houses were constructed and gifted to financially challenged students as part of the "Snehaveedu" Project Scheme, in collaboration with NSS Unit 90 B. This initiative aimed to provide secure living spaces for deserving students, emphasizing social responsibility and compassion.

The project was funded through the combined efforts of students, who organized fundraising activities, and the generous support of the Chittilappally Foundation, known for its philanthropic contributions. Beyond raising funds, students played an active role by offering physical assistance in the construction process, showcasing their commitment to the cause.

The houses were handed over to the recipients on 29 January 2024, 23 May 2024, and 25 May 2024, marking the completion of this impactful project. The "Snehaveedu" Project Scheme not only addressed housing needs but also fostered teamwork, empathy, and a sense of accomplishment among participants.

This initiative highlights the power of collective action and education in transforming lives and stands as a beacon of what can be achieved through collaboration and community engagement.

Report

The 'Sneha Veedu' project, a collaborative effort of Staff, Students and beneficiaries of St. Thomas College of Teacher Education, Pala. STCTE Pala Family celebrated a significant milestone with the key handover ceremony of a newly constructed house to Ms. Athira E.A., our student of English Education in 2014-15 batch. She belonged to a poor family and her father, the sole bread winner of the family had passed away. All Staff and Students showed their dedication to the work by contributing to the significant stages of the house construction, since its inception. The key was handed over by the college Principal, Dr. Sr. Beenamma Mathew on **15th June 2020**.

STCTE Home Project

The 'Sneha Veedu' project, a collaborative effort of Staff, Alumni Association of St. Thomas College of Teacher Education, Pala. Staff members and Members of Alumni Association of STCTE Pala Family gave a strong financial support for newly constructed house to Mr. Varghese K.T., our student of Commerce Education in 2014-15 batch. He belonged to a poor family and her father and younger sister are visually impaired. He is the sole bread winner of the family and very hard worker. All Staff and few Alumni members showed their dedication to the work by contributing Rs. 389000/ for III and IV stages of the house construction. The Ceremony of House warming key was held on **26th November 2022.**

The teacher in charge of the project, Dr. T. C. Thankachan, Dr. Alex George, Mr. Lijo Joseph, were visited the home and shared the happiness of STCTE Family. The 'Sneha Veedu' project aims to provide decent living conditions for those in need, and this particular house construction was a testament to the collaborative efforts and dedication of the entire STCTE family. The Successful completion of this project is the beginning of a new chapter for the beneficiary family.

STCTE Home Project

In honour of the Alumni Association's Silver Jubilee, St. Thomas College of Teacher Education Pala, decided to embark on a heartwarming project called "Sneha Veedu" (the House of Love). The mission was to construct a home for a deserving family. The idea was heartily welcomed by the NSS unit of the college, faculty, staff, PTA and other well-wishers of the college. A joint meeting of the representatives of the PTA, Alumni association, and the staff and faculty of the college was held to plan the working of the project. This initiative exemplified the spirit of compassion and community within the STCTE family, aiming to improve living conditions for those in need. Jobin Joseph, a first-year D. El. Ed student. Jobin had lost his father seventeen years ago, and he, along with his mother and brother, had been living in a cramped one-room house in Moonnilav Panchayath. His brother, the family's sole breadwinner, worked as an autorickshaw driver.

The college's Alumni association led the fundraising initiative, college principal Dr. Sr. Beenamma Mathew, vice principal Dr. T.C. Thankachan, IQAC Co-ordinator Dr. Lavina Dominic, Alumni Association President Fr. Jose Puzhvara, Alumni Association Secretary and NSS program officer Dr. Alex George, P.T.A. President Shri. V.J. Kuriakose, P.T.A. Secretary Dr. Sunil Thomas, Head Accountant Sr. Mini Thomas and NSS volunteer secretary Linta Eldos actively supported the cause. Construction began on November 26, 2023, with enthusiastic participation from NSS volunteers, alumni, college staff. On December 16, 2023, a team of enthusiastic students set out to

**ST. THOMAS COLLEGE OF

STCTE Home Project

help their friend. They assisted in carrying blocks and bricks for the house, under the leadership of D.El.Ed. principal, Shri. Sunny Joseph, and Dr. Alex George. The endeavour was assisted by neighbours, the parish priest, local panchayat member, and other philanthropists.

The 'Sneha Veedu' project aims to improve living conditions for those in need, and this house construction exemplified the collaborative efforts of the entire STCTE community. The house was blessed on January 29, 2024, by Mar Joseph Kallarangatt, Bishop of Palai. Rev. Fr. Joseph Thadathil, Proto-Synchellus and Manager of the college, delivered an enlightening talk during the key handover ceremony, marking the successful completion of the project and a new beginning for the beneficiary family.

OUR VISION

TO LEND A HELPING HAND TO A FRIEND – NO FRIEND TO BE SHELTERLESS

Home Project no.04: History

Phase I

The NSS Unit 90 B of St. Thomas College of Teacher Education, Pala along with Chittilapally Foundation has initiated a commendable act intended at building homes for those facing housing challenges. We have initiated the project with Ms. Preetha K.K Elanji, Ernakulam (Dt), Kerala. The project involves various phases, with particular activities scheduled on different dates. On 09/03/2024, the volunteers focused on activities such as the filling of concrete in the foundation, cleaning the surroundings, etc. indicating a significant change in the construction process. The active involvement of Dr. Alex George, NSS Programme Officer, the volunteers Anjali Rameshan, Annmaria Thomas, Ajay Sasidharan and Krishnendu T.K showcased the collaborative and the community- driven nature of the initiative.

Figure 1: Constructed Foundation

Figure 2: NSS Volunteers involved in the activity of filling of concrete in the foundation

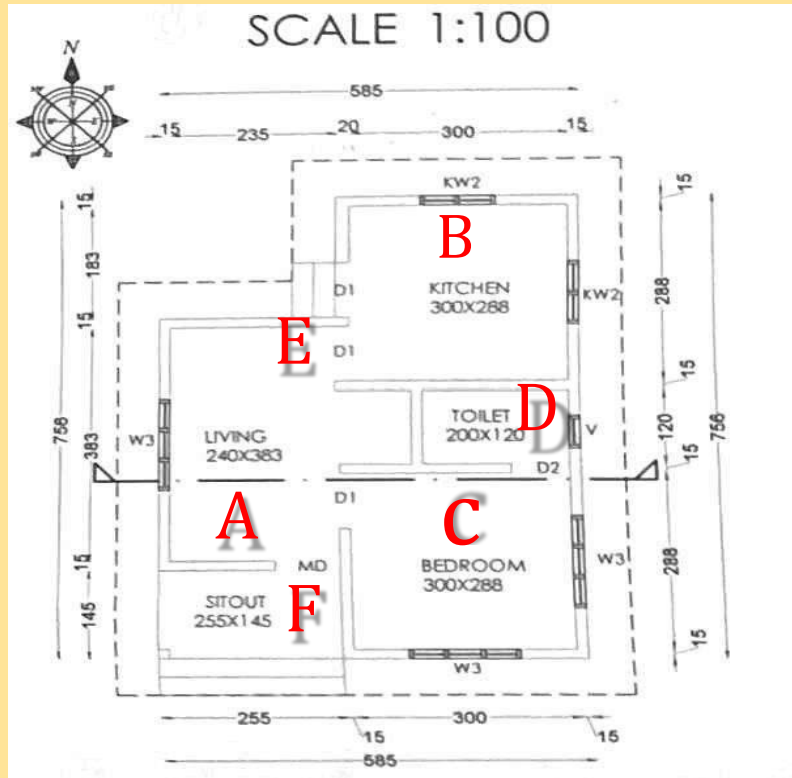

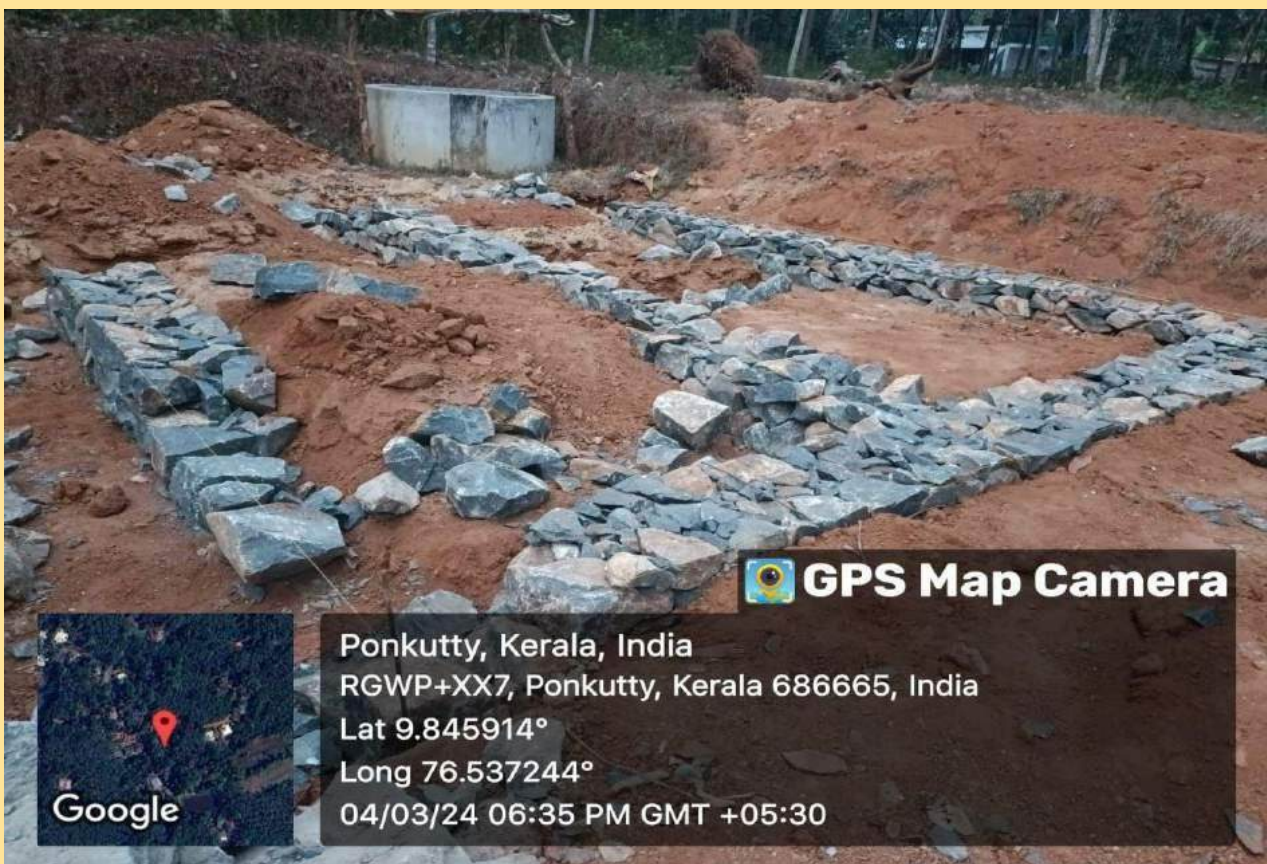

Figure 3: Constructed foundation with the actual plan pointed

The Construction is going well, and the built foundation for Ms. Preetha K. K.'s home does not differ from the actual plan that was presented, as seen in the figure 3. I respectfully ask that you take the appropriate steps to release the subsequent instalment of the funds to assist the building.

Phase IIA

The NSS unit 90 B of St. Thomas College of Teacher Education, Pala along with the Chittilappilly Foundation has initiated a praiseworthy project aimed at constructing homes for those facing housing challenges. We have initiated the project with Ms. Preetha K.K at Elanji, Ernakulam (Dt), Kerala. The project involves various phases, with specific activities scheduled on different dates. On 25/03/2024, the volunteers focused on nailing, indicating a significant step in the construction process. The work is now moving very quickly and has reached the lintel level. The NSS volunteers' engagement and dedication to the project's proper execution are quite noticeable given how quickly the building project is progressing. The construction works for the next phase and the preparations for roofing have started. The identical pictures attached.

News- English Translation

The '**Sneha Veedu**' project, a collaborative effort of the NSS unit of St. Thomas College of Teacher Education, Pala, and the K. Chittilappilly Foundation, recently celebrated a significant milestone with the key handover ceremony of a newly constructed house to Mrs. Santhakumari.

The house construction was spearheaded by The Chittilappilly Foundation's attention was drawn to the pathetic state of Santhakumari, who lived in a rented house, with the sole breadwinner for the family, Mr. Rahul Rajan, who is working for daily wages.

The NSS unit 90 B was instrumental in playing a pivotal role, which was manifested in facilitating financial support from the foundation and the manual help which was executed through the NSS volunteers. They showcased their dedication and determination to the work by contributing to the physical labour at significant junctures of the house construction, starting from the stone laying ceremony till the housewarming one.

The ceremony took place in the presence of esteemed guests, including PSWS Director Thomas Kizhakkal, College Principal Dr. Sr. Beenamma Mathew, and Mrs. Sara S, Ward Councillor of Koothattukulam Municipality the NSS Unit 90 B, under the guidance of K. Chittilappilly Foundation House Construction Coordinator Dr. Susamma A.P. and MG University NSS Program Coordinator Dr. E.N. Sivadhasan. The ceremony was further graced by the presence of Sr. Little Therese SABS, Office Manager PSWS, the house owner Mrs. Santhakumari, NSS Program Officer Dr. Alex George, College Chairperson Anu Maria Mathew, NSS Volunteer Secretary Anjali Rameshan, and Student Coordinator Ajay Sashidharan, who played a pivotal role in leading the house construction activities.

The '**Sneha Veedu**' project aims to provide decent living conditions for those in need, and this particular house construction was a testament to the collaborative efforts and dedication of the NSS volunteers and the K. Chittilappilly Foundation. The key handover ceremony marked the successful completion of the project and the beginning of a new chapter for the beneficiary family.

Thank You.....

Home Project no.05: History

Phase I

The NSS Unit 90 B of St. Thomas College of Teacher Education, Pala along with Chittilapally Foundation has initiated a commendable act intended at building homes for those facing housing challenges. We have initiated the project with Ms. Santhakumari, Koothattukulam, Ernakulam (Dt), Kerala. The project involves various phases, with particular activities scheduled on different dates. On 27/03/2024, the volunteers focused on activities such as the filling of concrete in the foundation, cleaning the surroundings, etc. indicating a significant change in the construction process. Also, our major help was in the stacking of wooden pieces onto the construction site. The active involvement of Dr. Alex George, NSS Programme Officer, the volunteers Dayas Xavier, Annmaria Thomas, Ajay Sasidharan, Richa Sebastain and Anjali Rameshan showcased the collaborative and the community- driven nature of the initiative.

Figure 4: Different Stages in the Development of work

Phase II

The NSS unit 90B of St.Thomas College of Teacher Education, Pala along with the Chittilapally Foundation has initiated a praiseworthy project aimed at constructing homes for those facing housing challenges. We have initiated the project with Ms. Santhakumari at Vdakara , Ernakulam (Dt), Kerala .

The project involves various phases, with specific activities scheduled on different dates. The construction processes are moving in a fast pace and has reached the lintel level. The NSS volunteers' engagement and dedication to the project's proper execution are quite noticeable given how quickly the building project is progressing. The construction has undertaken for the next phase and the preparations for the roofing have started. Considering the college closure time, the NSS volunteers could not provide much manual contributions to the construction work, still they managed to interfere in some significant phases of the construction. The identical pictures are attached to the file.

Phase III

The NSS unit 90 B of St. Thomas College of Teacher Education Pala along with Chittilappilly Foundation has initiated a commendable project intended at constructing homes for those facing housing challenges. We have initiated the project with Ms. Santhakumati at Vadakara, Ernakulam (Dt), Kerala. The project involves various phases with specific activities scheduled on different dates. The work is moving quickly and has reached the top concreting level. Though constrained by the summer vacation, the NSS volunteers' dedication and monitoring of the project's proper execution are quite noticeable given how quickly the building project progresses. The identical pictures are attached to the file.
