### **‘WANDERLUST BOOSTER’- Tour Fund Collection**

#### **Expected Outcomes**

**This fund collection programme will make the tour more affordable to all by making them save small amounts of money. It develops social skills in the students**

## WANDERLUST BOOSTER

In an attempt to create financial management among the teacher trainees, an effort is made under the name WANDERLUST BOOSTER to collect money for study tour in some portions from them on every Fridays. The teacher trainees save money and they usually hand it over to the class leader and thereafter the money is transferred to the general leader. A bank account is opened for this in the nearest post office at pala and the money is deposited on every Fridays. There are students in- charge of keeping the accounts for effective management of money. This attempt also aims at reducing the burden of arranging a big amount all on a day for the tour. Dr. Alex George (Study Tour Teacher in Charge) monitors the functioning of this fund raising programme. This also improves planning and systematic organisation of events by the teacher trainees.
