“SKILL POLISHER”

STUDENTS CAPACITY BUILDING PROGRAMMES

SCBPI19

Abacasci Fiesta-Pineapple Stall

Expected Outcome

This programme improves the entrepreneurial skills of students. Managing money, calculating costs and profits, and making change helps students develop financial literacy and numeracy. It helps students to practice communication, customer service, and sales skills.

This program effectively enhances the entrepreneurial skills of students. By engaging in activities such as managing money, calculating costs and profits, and making change, students develop crucial financial literacy and numeracy skills.

This hands-on experience fosters a deeper understanding of financial concepts and equips students with practical knowledge for managing their own finances in the future. Furthermore, the program provides valuable opportunities for students to practice essential life skills, including communication, customer service, and salesmanship. These skills are invaluable in various aspects of life, both personal and professional.
