SNEHARAMAM

Expected Outcomes

Sneharamam helped students to develop a sense of responsibility and patience as they nurture the plants through growth cycles. It also enhanced their observation skill and environmental awareness.

St.Thomas College of a Teacher Education Pala : Teacher Trainees creating and maintaining, garden near pala private bus stop from 23 December 2023 onwards

**A group of teacher trainees have embarked on the Sneharaamam project, a community-focused initiative aimed at beautifying the area surrounding the Pala private bus stop. Since December 23, 2023, these dedicated individuals have been actively involved in the creation and ongoing maintenance of a vibrant garden at this location. Their efforts have not only enhanced the aesthetic appeal of the bus stop but also contributed to a greener and more welcoming environment for both commuters and residents of the surrounding area."**
