“SKILL POLISHER”

STUDENT CAPACITY BUILDING PROGRAMME

SCBPI24

International Faculty Sharing Programme

EXPECTED OUTCOME :

The skill polishing program with international faculty aims to enhance teaching skills in India and Nigeria, focusing on modern education methods, technology integration, and cross-cultural understanding to improve student engagement and critical thinking.

An International Faculty Sharing Programme on the Zoom platform, provides a valuable opportunity for academic exchange. Dr. T.C. Thankachan, a esteemed member of our faculty, actively participated, engaging in insightful discussions with distinguished international scholars from institutions in Nigeria. The program fostered reflections on the current state of education in both India and Nigeria, highlighting shared challenges and exploring potential solutions. This valuable exchange broadened the horizons of our faculty and students, enriching the academic environment and fostering international collaborations.
