14/9/22: Anne Marie is very shy and introvert. She does not like to mingle with other students in my class. She has a lot of inhibitions & fear. I enquired about her background. She is not willing to open up.

9/11/22: When she came for microteaching it was very difficult for her to write lesson plans and teach. I gave her a second chance.

8/2/23: For school induction she got 24.000. She was also told to face many problems. She is not aware of her problems. When I ask her about this she may smile and nod her head.

17/5/23: For an internship she got the same school. She approached me and told that she is going to discontinue. I gave strong moral support and positive stroke. I told other students in my class to support her in writing lesson plans and other activities. Her mentor sister at school also supported her a lot.

20/1/24: Anne completed school internship and she became free. Now she is pleasant, active and mingle with others.

Strengths
 Vandana V.V. being a graduate worked hard to reach the level of other classmates who could easily excel in teacher education related tasks.

Weaknesses
 She is not so good in English language communication especially writing skills. Very often makes several mistakes in communication.

Opportunities
 Since she belongs to reservation category, she can apply for several post set apart for NCA available in PDC.

Threats
 Lack of sufficient communication skill may become a challenge for her career.
