Planning and Scheduling Academic, Cultural, and Sports Events

During the internship, a teacher trainee develops the competencies of planning and scheduling academic, cultural and sports activities. Clearly define the purpose of the events, target audience and expected outcomes. Set a date and time for the events. And form an organising committee to share responsibilities. The academic events and 50 lessons in the allotted classes to get first-hand experience in teaching. Lesson plans were prepared beforehand for every lesson. Attention was paid to include a variety of learning materials to help students understand the concepts more clearly.

The teacher trainee had to take two classes based on the Language Across Curriculum (LAC). The necessary data for preparing lesson plans were collected by referring to the SCERT textbooks and the teacher handbook. Lesson plans were prepared by giving importance to the concepts and the language.

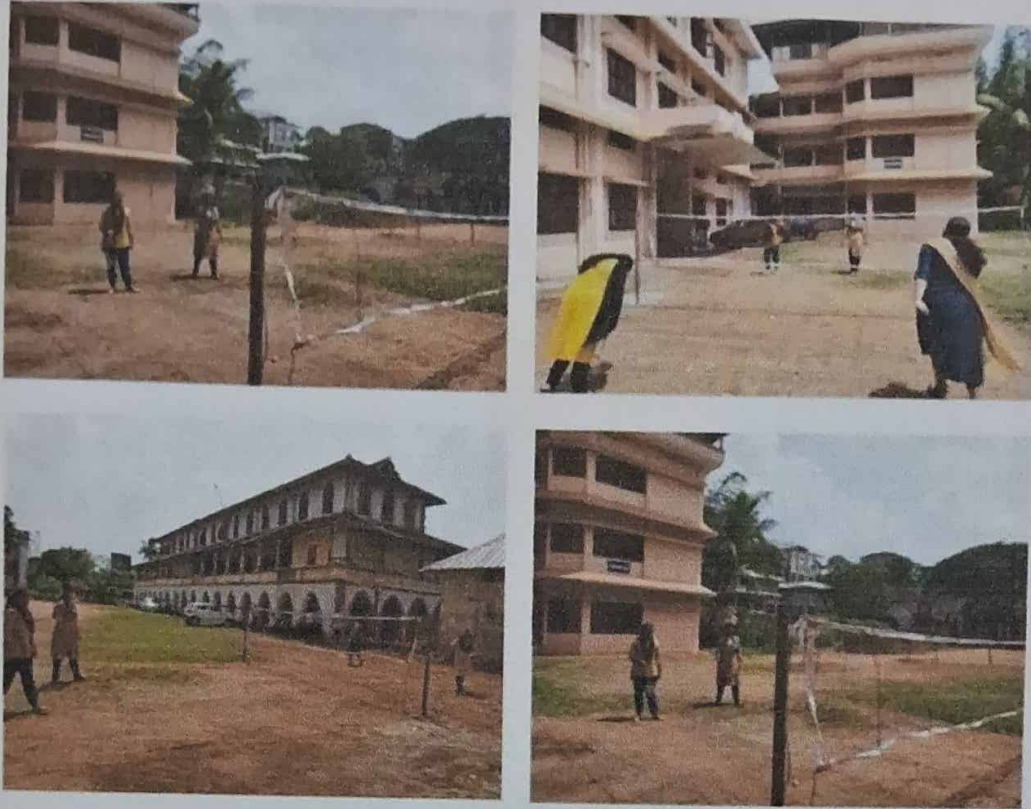

A unit plan involves planning and teaching a unit, teaching methods, evaluation of teaching activities, etc. Instructional objectives should be clearly defined in the unit plan. The preparation of the unit plan was according to the steps of unit planning. The selected unit was critically observed. It was further divided into subunits.

The internship period includes Value Education Classes, Art Education classes, Health Education classes, Physical education Classes, etc. Including the Academic Activities, Trainees organise and plan Cultural Activities and sports Days as part of their internship period.
