11.SNEHAVEEDU PROJECT 1 (HOME PROJECT)

The 'Sneha Veedu' project, a collaborative effort of Staff, Students and beneficiaries of St.Thomas College of Teacher Education, Pala. STCTE Pala Family celebrated a significant milestone with the key handover ceremony of a newly constructed house to Ms. Athira E.A., our student of English Education in 2014-15 batch. She belonged to a poor family and her father, the sole bread winner of the family had passed away. All Staff and Students showed their dedication to the work by contributing to the significant stages of the house construction, since its inception. The key was handed over by the college Principal, Dr. Sr. Beenamma Mathew on 15th June 2020.

12.GREEN OUTFIT

To nurture environmental consciousness and greens among students, our college took an initiative named 'Green Outfit and conducted creative programmes that would encourage sustainable living. As part of this, the students collected a large number of plastic sacks on 11-Feb-21, dumped them during construction work, and cleaned them to use for growing vegetables at home. This helped in upbringing a concern towards nature and self-sufficient living.

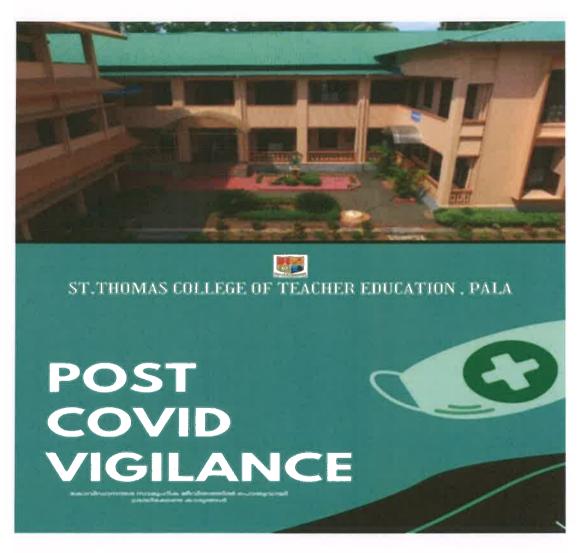

13.POST COVID VIGILANCE

Preparation of Brochure and Sharing-March 2021

Post covid vigilance is a programme initiated in our college to make people more conscious of COVID-19 in the month of March 2021. Keeping in view the impact of COVID-19 its reasons, and guidelines, given by medical organizations, an awareness brochure was prepared by the students. The focus group of the initiative was the general public and it was circulated among them through websites, social media platforms, and published in banner.

Report 1: Team J5

As part of the new program today we had an introductory section through Google Meet at 9. a.m. After the meeting, as the team leader I contacted my team mentor. In the afternoon section, we had our second Google Meet for a detailed description of the program. A WhatsApp group was created for team J5 and I contacted each team member. Officially a group was created for all leaders. Finally, at 8.30 pm, I attended the leaders' meeting. Today we had no cases.

Team leader: Jaicy Jose

*May 14-2021

Day 1 - S6

Today we didn't attend any students. created a WhatsApp group with teammates. Then contacted mentor Bindhu Miss and informed about the team members. conveyed the important instructions given by alex sir in the google meet in our WhatsApp group.
