Abstract

Technological development has affected the ICT tools of teaching learning system. The educational system of India has emerged greatly with the benefits of ICT and open access material available online. The internet has brought the information and knowledge in the hand of educational community. This article aims to increase insight into the importance and benefits of open educational resources (OERs) and its application in teaching and learning process. To comprehend India's position on OER, Government of India has taken many relevant initiatives which are disused in this article. In order to meet the professional goals of young Indians, this research also offers several advantages of OER concepts that are building complex lifelong learning pathways.

Keywords

OER, ICT, Teaching-learning tools.

The screenshot shows the ISID (Institute for Studies in Industrial Development) website. The header includes the ISID logo and the tagline "Policy Research to Further India's Industrial Development". The main content is divided into two columns:

- Online Index:**
 - Social Science Journals:** 262 Indian Journals with 2,56,960 references.
 - Press Clippings:** 23,76,834 Press Clippings are available.
 - Industry Matters:** 8,967 references available.
- Other Research Reference:**
 - National Policy Documents
 - Other Important Documents
 - Indian Statistical Indicators
 - International Statistical Indicators

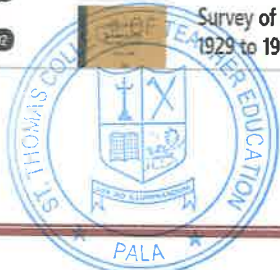

A note at the bottom states: "Search References will be displayed in 'reverse chronological order'."

The screenshot shows the South Asia Commons search interface. It includes a search bar with the text "Search" and a magnifying glass icon. Above the search bar, there are navigation links for "Series", "Publications", "Publishers", "Topics", "Lists", and "Modules". To the right, there are links for "N-LIST", "Register", and "Login". The background features a large orange graphic with curved lines.

The screenshot shows the "Publications" search results page. It displays "29,452 results". At the top right, there are controls for "Follow", "10 results", "Sort by: Relevance", "Export", and "DB". On the left, there is a "Publication Type" filter section with the following counts:

- Journal: 183,451
- Report: 48,296
- Book: 30,702

The main search results area shows a single entry: "Survey of India. Map Publication and Office Work 1929 to 1930 From 1st April 1929 to 31st March 1930". There is an "Add to list" button next to the entry. A blue circular stamp from St. Thomas College of Teacher Education, Pala, is overlaid on the bottom left of the results area.
