Gouri had a hectic schedule during the internship days. She was given several classes and duties — but she managed it well. At times she was worried about the unruly behaviour of her students. I consoled her and gave her some practical suggestions to maintain discipline in class.

Lavina Dominic

7/12/22

Gouri is worried about her future — she failed to clear the NET in English — I tried to encourage her by boosting her confidence — better luck next time. She however cleared CTET, SET and TET 2 & 3.

Lavina Dominic

14/2/23

Gouri's health suffered during the class tour — she missed several classes following it — I tried to console her and pacified her. She is a perfectionist.

Lavina Dominic

7/6/23

Gouri has a bright future. She is sincere and hard working to the core. She respects and loves her parents and teachers. She will reach heights because of these qualities.

Gouri Gayathri G is a multifaceted student. She belongs to a middle class family - brilliant - a talented and professionally trained dancer. She has joined the B. Ed. programme to get a good job - be a good teacher - support her family

Lavina Dominic

13/11/22

Gouri is always enthusiastic - she is active and participates in all activities of the college. She was elected as the Arts Club Secretary of the college.

Her micro teaching sessions were good - The only

problem was - she was over worried about her

performance. I asked her to take things coolly -

she need not hurry with things - Her record writing also could be more neat if she patiently dealt with it. She promised to slow down - and maintain

her calm.

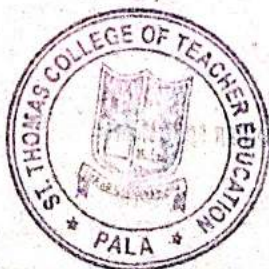

Lavina Dominic

11/13/22

Gouri's health does not keep fine in between - Being a hosteller she sometimes feels homesick.

I tried to console her - had talks with her parents -

Session 1

2/12/2021 Mithra belongs to an agrarian family - middle class -
From the discussion we had I found that she has joined the
B.Ed programme with a definite aim - to get a job - she needs
it badly - her family has financial problems. I encouraged
her to face her personal problems - told her that she has
the ability to overcome all the problems - to get a good job

Lavina Dominic

14/01/2022

Mithra has subject competence but is not that fluent
in English. She lacks confidence in speaking English. She
has diffidence in taking classes in English. But a little hard
work will help her overcome it. I found she has a
natural talent for teaching - the only problem being the
fear of getting grammar wrong.

Lavina Dominic

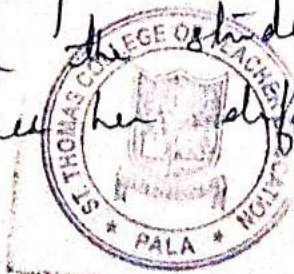

15/02/2022

I found that she has a few health problems -
rather sensitive at times. Mithra is very hard working.
She tries to incorporate innovative techniques in teaching.
She is also very straight forward.

Lavina Dominic

12/07/2022

I found Mithra to be dedicated teacher. During
internship she devoted her time and energy
to teach the students. She has problems with language.
It makes her diffident. But I felt and told her

that she is only too conscious of it - otherwise her language is quite good. A little bit of practice - listening to good English ... will help her.

Lavinia Dominic

14/03/2023

Withon has a bright future. Her hard working and sincere and helping mentality will reach her to success in future. I encouraged and supported her through to pursue her dreams. I asked her to keep in touch after she leaves college.
