16/9/22. Jeffmi is very smart. He is of average intelligence. He is 50% blind. But doesn't show ~~such~~ any feelings or disturbances related to it. He was the only boy in my class. That was his problem. I gave him examples of such cases and he was happy.

9/11/22: During micro teaching the boy was little bit stressed. He shared his difficulties in preparing lessons ~~so~~ with respect to particular skills. I helped him.

6/2/23: Teaching practice session ~~so~~ gave the boy little stress. He was ready to adjust with them. Class management worried him. and I suggested certain strategies for improving it.

17/9/22. Ans Maria is very shy and introvert. She doesnot like to mingle with other students in my class. She has a lot of inhibitions & fear. I enquired about her back ground. She is not willing to open up.

9/11/22 :- When she came for microteaching it was very difficult for her to write lesson plans and teach. I gave her a second chance.

8/2/23 :- For school induction she got S.H-G.H.S Bharanangam. There also she had to face many problems. She is not aware of her problems. When ever I ask her about this she may smile and nod her head.

17/8/23 :- For internship she got the same school. She approached me told that she is going to discontinue. I gave strong mental support and positive stroke. ~~Other~~ I told other students in my class to support Ans in writing lesson plans and other activities. Her mentor sister at school also supported her a lot.

30/1/24 :- Ans completed school internship and she became free. Now she is pleasant, active and mingle with others - &

16/9/22 : Fatima is very active, confident and highly cooperative. She gives quick response to classroom questions. I enquired about the difficulties in college. She only has a degree in physics. As she has no 4th degree, she has a fear of being able to reach with other students. I offered my full support to her.

8/11/22 : During micro teaching time she came to me to share the difficulties in Lesson Plan preparation and teaching session. I gave her positive stroke and gave her certain strategies to overcome stress.

7/2/23 : During school induction time we two discussed about the difficulties in practice teaching school. Her students make noise in her class and they were inattentive. I consoled her and gave certain discipline maintaining strategies.

18/2/23 : During internship she went to the same school. Now she is adjusted with the students. When I met her in school she was happy and also her students.

30/1/24 : Fatima came to me to discuss some of her personal problems. I heard carefully and gave some strategies to solve these problems.
