Vasghen Antony Pulickan is a good student with active nature. He is research oriented. We discussed about the opportunities of higher studies and research. He took a very good topic for research.

I could guide him to write a good research proposal later.

17/5/2022.

Vasghen Antony was directed to present his research proposal in a systematic manner. After his presentation I could give more clarifications on his topic.

19/6/2022

Guidance and correction were given to write the first chapter of the thesis. The direction were given for the text preparation, content analysis and preparing the different chapters.

12/11/2022.

The discussions were done as per the research perspectives. He could complete thesis in time. Directed the student about the completion of the thesis and viva voce exam.

He submitted the thesis and made a viva voce discussion of the work done and

Should have more interact with daily

Alan John Sunny is a student in Malayalam optional. As the classes and medium of instruction are in English, he faced some difficulty in following the class. I could give some orientation on effective learning and advised the teachers to follow bi-lingual mode.

17/5/2022

He took a topic from Malayalam poet 'Ambika Suthan Manjath'. I advised him to start the study. He made a very good interview with the poet, and got a clear picture of the activities and ideology of the poet.

19/6/2022

He prepared the text and got ready for the content analysis. Guidance and corrections were given for the first chapter of the thesis.

12/11/2022

He conducted good study about the socio-journalistic perspectives of the poet. I gave some guidance about the 'Anglophone study and view-voice'.

Annu Jose is a student coming from Pala, near to the institution. She did her B Ed and PG in Malayalam. So she faced some difficulties in the language at the beginning of the programme. I directed the teacher to follow bi-lingual teaching mode, which made her comfortable in her class.

17/5/2022

She selected a very relevant topic for her thesis. I could guide and direct her to complete the academic work in time. She was a married student and had some household responsibilities. I guided her to manage different situations with positive outlook.

12/6/2022

She was directed to start writing of the chapters regarding the tool and other relevant works related to the researcher's work. As she is a Malayalam student I spent more time with her regarding language correction. I directed about the completion of her thesis.

She could conduct a field study related to the topic. I could direct her to apply for different teaching posts near to the locality, after completing the course. She was in need of a job. Also we discussed about her strengths, weaknesses, opportunities and challenges.

14/3/2023

After the correction of the thesis she was allowed to submit it. I could give some language corrections additionally.

28/8/23

She successfully completed the course, comprehensive viva, etc.

describing the preparation of tools & their analysis.

16/8/2023.

Draft submitted submission was
requested to ~~sub~~ be done as much it self.
Several times corrections were made &
finally submitted the day by April first
week.

As she gave birth to a girl child
she stayed near to college as fuel is
conveniently doing the work related to
them.

11/5/22 } Being a science student and having
some teaching experience Elizabeth
is interested in studying a topic related to
science education. Adequate support has been
given to her in the selection of topic.

9/1/22. Elizabeth started a lot to write
the research proposal. She is busy some
teaching problems also - & supported well her
adequately.

8/6/22 After proposed publication chapter writing
is the next task. Elizabeth merged with the
chapter writing - without any corrections.

20/11/22 The Pandemic severely affected
the darshtaki work. So the text preparation
and its validation delayed. In order to
compensate the delay the third chapter
writing is initiated and asked to submit
as soon as possible.

18 March 2023. During the draft for
darshtaki we done on a war footed
basis. Requested to submit the
spiral bound this by the end of
March 2023.
