17/9/22. Ans Maria is very shy and introvert. She does not like to mingle with other students in my class. She has a lot of inhibitions & fear. I enquired about her back ground. She is not willing to open up.

9/11/22 :- When she came for microteaching it was very difficult for her to write lesson plans and teach. I gave her a second chance.

8/2/23 :- For school induction she got S.H.G.H.S Bheranangam. There also she had to face many problems. She is not aware of her problems. When ever I ask her about this she may smile and nod her head.

17/8/23 :- For internship she got the same school. She approached me told that she is going to discontinue. I gave strong mental support and positive stroke. ~~also~~ I told other students in my class to support Ans in writing lesson plans and other activities. Her mentor sister at school also supported her a lot.

30/1/24 :- Ans completed school internship and she became free. Now she is pleasant, active and mingle with others - &

Strengths

Resmi plays different roles in various organizations. I like her sense of youth, & my mother - she is ~~a good~~ sings and dances well.

Weaknesses

She rarely becomes punctual in her day to day life. That has become a major issue in completing the B. Ed. programme.

Opportunities

Since she belongs to the Malabar Christian community, she will have several opportunities in career.

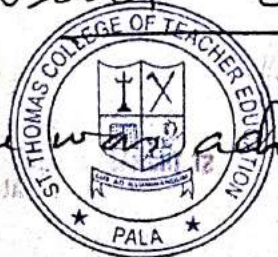

Threats

Pitfalls in communication skills, lack of sufficient subject competency in English language may become a ~~very~~ major challenge in her career.

Personal ~~and~~ counselling

8/11/22

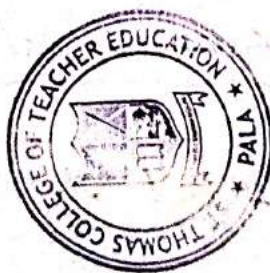

She was advised for being regular in her

movements. Due to lack of clarity in subject competency, she usually beats around the bush. She was asked how better self awareness regarding her present state of affairs.

20/12/23 She was given a personal counselling regarding the issues of class management. She couldn't ^{neither} manage the class nor use effectively the teaching aids. Her body language was not even appropriate for the teacher to manage boys only school.

12/6/23 After several interactions with Resmi, her turn out has changed more. But she needs more improvement in communication skills. She was asked ~~make~~ to improve student involvement in her classroom transactions.

14. 10. 2022. (8.45 am - 9.15)

Divya is a bit aloof. She seems to be indifferent. I tried to talk to her, but she didnot want to open up. She told that she didnot prefer B.Ed and teaching in school. Her ~~great~~ ambition was to clear CSIR-NET.

10/02/2023. (3.45 - 4.15)

Divya Thankachan came from Vattand near Kuravilangad. For more convenience, she came from Maragattupilly, her-cousin's-home. She was aloof with her classmates too. She is more self-centred and too sensitive. I tried to understand the qualities of a mature personality. After mentoring, she said that, she is very happy.

11/01/2023

Her mentorship was a bit difficult. She had problems related to class management. I encouraged her to not give up.

Towards the end of the internship, she has improved a lot. But a lot of her problems discussed with me. Some problems are commonplace of her peculiar nature. I gently persuaded her to make the best use of time.

21/02/2024 (4.30 - 5.15)

Divya Thembachan had chucked a lot. The community camp and study tour has made her more casual. Some sensitive comments raised during study tour. As a mentor, I gave some corrections and suggestions to improve her social skills. She actively participates in all activities.
